Amarillo Angels Launch Major Volunteer Recruitment Drive

Amarillo, Texas – Amarillo Angels, a leading nonprofit organization dedicated to supporting children, youth, and families experiencing foster care, is excited to announce a large-scale volunteer recruitment push. As we strive to expand our impact, we invite compassionate community members to join us in making a difference. Interested volunteers should sign up by **August 23, 2024**, to participate in our upcoming training sessions and participate in this transformative initiative.

To ensure our volunteers are fully prepared to support foster families, we are offering comprehensive training sessions both in-person and online on September 5 and 6, 2024. These sessions will equip volunteers with the necessary skills and knowledge to effectively engage with the families and children we serve. The training is designed to provide a deep understanding of our mission and the best practices for making a meaningful and lasting impact.

Volunteers will have the opportunity to apply for our signature Love Box® program, where they will be matched with a family experiencing foster care. This matching process is thoughtfully managed by the Amarillo Angels case management team, ensuring that each volunteer is paired with a family that aligns well with their strengths and abilities. Our approach fosters deeper connections and supports the creation of enduring, positive relationships that significantly benefit the children and youth in foster care.

Sign up by August 23, 2024, and be a part of the change that brings hope and stability to those who need it most. For more information or to sign up for the Love Box® program, visit <https://www.amarilloangels.org/lovebox.html> or contact cali@amarilloangels.org.
